The Tamilnadu Differently Abled Federation Charitable Trust (TNDFT) organized two meaningful school kit distribution events at our Fedabled Hall in Ekkattuthangal, Chennai, aimed at supporting the education of differently abled students and children of disabled parents.

On 10th June 2025, 150 school kits were distributed with the generous sponsorship of Aspire Systems Pvt. Ltd. Each school kit included essential learning materials such as a school bag, notebooks, steel water bottle, geometry box, pen, pencil, and other stationery items. The event brought smiles and encouragement to young students, preparing them for the new academic year with confidence.

Following this, another 150 school kits were distributed on 10th June 2025. This event was made possible through the kind support of Mr. Prabakaran, Founder of Prayda Law Associates, along with Mr. Thitumurugan Dhomodaran, Ms. Ayswarya Ram, and Ms. Jananani Velmurugan. Their generous contribution made a tangible impact on the lives of these students, reinforcing the message that education is a right for all, regardless of ability.

We extend our heartfelt thanks to all our sponsors and supporters who made these events possible. With your continued support, TNDFT remains committed to empowering the next generation through education and inclusion.
